

White Ribbons for Hope

The Pascack Pi-oneers, *FIRST* Robotics Team 1676,
is inspired by the dedication of the
first responders, nurses, doctors, police officers, and all essential workers
on the front line of the global battle for health.
They give us hope to move forward and meet our challenges.

Join us in the “White Ribbons for Hope” Campaign
as we support each other while staying apart ...
one white ribbon at a time!
